

ANNUAL BID REPORT

2022-24

ABOUT THE WALNUT CREEK DOWNTOWN ASSOCIATION

Walnut Creek Downtown (WCD) is a non-profit (501c-6) association of over 650 businesses. WCD works with its members, partners, stakeholders and the community to promote and enhance business vitality within the downtown. WCD acts as an advocate on behalf of the downtown business community through aesthetic and environmental enhancement projects producing special events, and providing marketing opportunities for its members.

The Business Improvement District (BID) and South Business Improvement District (SBID) were established in 2005 and 2010 respectively. The Business Improvement Districts (BID/SBID) encompass a boundary area from Mt. Diablo Blvd to the South and Cole Ave. to the North, and includes streets from the East and West from Broadway to N. California Blvd.

WCD leverages the BID funds to increase the visibility and vitality of the downtown. These funds, together with the event revenues, pay for a wide range of projects and activities that includes the following efforts: advocacy, beautification, events, and marketing.

OUR MISSION: LEAD AND COLLABORATE WITH OUR MEMBERS, PARTNERS, AND COMMUNITY TO PROMOTE AND ENHANCE DOWNTOWN WALNUT CREEK.

POINTS OF INTEREST - PROGRAMMING

ADVOCACY & COMMUNICATION

An interactive member resource webpage was added to the [WCD website](#). The page includes job postings, links to past newsletters, quick access to marketing benefits, downtown construction updates, how to get involved in WCD & easy links to sponsor opportunities.

The newly developed [WCD-WCPD Surveillance Program](#) provides WCPD direct access to information provided by downtown businesses (video, photos, etc.) for crime prevention and investigations.

COMMUNITY

The downtown shone a little brighter on [Earth Day](#) 2022! WCD and the Public Works Department, coordinated twenty volunteers who assisted with trash pickup and landscaping. We're proud to foster civic pride in the downtown neighborhood.

PROGRAMS

The [Downtown Stages](#) were incorporated into WCD events by using the WaterLight Plaza as an activation space for Restaurant Week, Arts Around August, WC First Wednesday and Celebrate the Season. Community partners such as Festival Opera, DRAA & Community Arts used the plazas to entertain & promote their own programming.

The [Painted Pianos](#) included twenty volunteers to paint newly added baby grand pianos in Broadway Plaza & Plaza Escuela. The design on the Plaza Escuela piano was created to compliment their future branding elements. The weather, older pianos and vandalism was more challenging this season, causing WCD to remove some pianos early.

The [Retail Alliance](#) continues to gain momentum & enthusiasm to actively seek & connect with potential new businesses interested in locating in Walnut Creek. A member of the City's Economic Development Team attends the monthly meetings as a direct connection to the business community to share updates and information.

[WC First Wednesday](#) expanded its event footprint to include an additional block of Cypress Street (N. Main St. to Broadway) to accommodate more vendors and entertainment. Due to the increased event production expense, WCD held only one street festival as opposed to 4-6 programs in the past.

[Oktoberfest](#) returned to downtown Walnut Creek in a new location, Civic Park East. Over 5,000 attendees enjoyed the all-day event. This year's event found securing volunteer support challenging; WCD seeks to remedy that with developing an event committee and early volunteer engagement.

The 2022-23 season of [Walnut Creek on Ice](#) was the first year that WCD produced the event on its own after a 16-year partnership with the Walnut Creek Chamber of Commerce & Visitor's Bureau.

ADVOCACY & COMMUNICATION

MEMBER ADVOCACY

The association acts as an advocate for its members addressing topics that directly affect their business. WCD's efforts perform as the liaison between the businesses, community partners and government agencies.

WCD represents its members by participating in local community meetings with the Homeless Task Force, Bar/Restaurant/WCPD, City Council, Arts Alliance, Wellness Alliance, Coalition for Walnut Creek, Walnut Creek Chamber of Commerce & Convention & Visitors Bureau, and City departments.

BUSINESS EDUCATION

The Stay Connected Webinar Series provided members with a space to learn and discuss topics in the workplace. This year the series addressed the pandemic-related topic of "Navigating the Labor Shortage" featuring a panel of local business owners and professionals who shared information on how to set a business apart to attract the best talent.

WCD partnered with Pareto Labs to provide its members a new business education resource to improve performance and grow their business. This online business learning platform contains a wealth of video content to help business owners and entrepreneurs learn practical business skills.

MEMBER & PUBLIC NEWSLETTERS

Walnut Creek Downtown Association maintains two email subscriber lists with over 5,000 subscribers. One is exclusively for downtown business members and associate members, and the other is an opt-in public list. Weekly newsletters are sent out to allow the community to stay connected, receive alerts about downtown happenings, meetings, programs, social events and promotions.

MEMBER RESOURCES WEBPAGE

WCD staff has created a NEW webpage dedicated to member resources. The Member Resources Page will be available in early 2023 and will include a job board, marketing guidelines, directory listing, business education, links to past newsletters and more!

WCD-WCPD SURVEILLANCE PROGRAM

Together, WCD and the Walnut Creek Police Department have created a Downtown Surveillance Program to connect the business community directly with WCPD, to share information and video that assists with crime prevention and investigations.

The program uses a Microsoft Teams Group to encourage businesses to communicate quickly and effectively with their neighbors and law enforcement to keep our community and the downtown safe.

ECONOMIC DEVELOPMENT

OUTDOOR DINING

WCD has continued to be involved in the outdoor dining program through Downtown NEXT. Staff and Board Directors participate as advisors for the development of the Permanent Outdoor Dining Structure (PODS) program, host webinars with City staff, and facilitate meetings with business owners/operators.

SHOPPING & DINING GUIDE

The Shopping & Dining Guide is published annually to encourage the community members and visitors to shop, dine, and spend their time locally in downtown Walnut Creek. The guides are available to the public at three kiosks located at the parking garages on Broadway and South Locust Street, and at the corner of N. Main Street and Mt. Diablo Blvd.. The guide is also available to view and download from the WCD website.

RETAIL ALLIANCE

The Retail Alliance has taken steps towards being more involved in the downtown's economic vitality. Business owners/operators are reviewing the newly released retail study and identifying strategies to develop stronger retail presence in the traditional downtown.

BEAUTIFICATION

BIG BELLY ART

WCD oversees the 85+ posters installed into the downtown Big Belly units.

UTILITY BOX ART WRAPS

WCD continues to oversee the maintenance of over 30 artistic wraps on utility boxes throughout the downtown.

COMMUNITY

EARTH DAY CLEANUP

A new addition in 2022 included a downtown beautification on Earth Day with a community cleanup including trash pickup downtown, landscaping around City Hall and cleaning planter boxes.

COMMUNITY SERVICE DAY

On Community Service Day, WCD participated in a landscape clean-up around Civic Park. Volunteers also painted two pianos at Plaza Escuela and Broadway Plaza, to add to the Painted Pianos program.

MEASURE O CAMPAIGN

WCD participated in the successful Measure O campaign to ensure the continuation of the City's amazing quality of life. Staff and Board Directors distributed flyers to neighborhoods, identified signage locations, rallied support from the business community and hosted booths at events.

PROGRAMS

DOWNTOWN STAGES

Beginning in May, Downtown Stages consisted of three separate locations: Cypress Mini Plaza, Water Light Public Plaza, and Plaza Escuela. The pop-up entertainment program lasted through October.

Local musicians, artists, dancers, poets, and other entertainers shared their talents and spread good cheer all season. WCD collaborated with community partners Festival Opera, the Leshner Center and Community Arts to plan activations at the stage locations.

PAINTED PIANOS

The 3rd Season of Walnut Creek's Painted Pianos program, featuring nine pianos, took place May through October.

Painted Pianos is a unique art project designed to entice community members to sit, enjoy and share their music throughout the city.

The downtown activation promotes local artists who share their talents through paint and various artistic mediums on a variety of donated pianos provided by Steinway Pianos and private donors.

EVENTS

THE BID

PROPOSED BUDGET 2023-2024

ASSESSMENT REVENUE

WCD projects the BID assessments for 2023-24 to be \$144,200. The assessment bills and collection of assessments are administered annually through an outside vendor, HDL, in June.

RESERVE OR DEFICIT

As of this report, WCD will realize a loss of \$3.365 for FY 2023-24. The total is a combined dollar amount from the North and South Business Improvement Districts. WCD is optimistic that vacancy rates will continue to improve and we are planning for a full calendar of events to continue to restore additional revenue.

OTHER REVENUE SOURCES

In addition to revenue generated by the BID & SBID assessment fees, the other major source of funding for WCD are event revenue and sponsorships. This projected total income for FY 2023-24 is \$196,000. This revenue projection does not consider expenses which are detailed in the attached budget related to the events/programs.

EXPENSES

The advocacy, beautification, events and marketing produced by WCD benefit both districts. The attached budget spreadsheet summarizes the estimated costs of the programs previously described as well as staffing and other administrative costs.

POINTS OF INTEREST - FINANCE

2022-2023 BUDGET

Overall, event sponsorships were lower than expected as contract commitments for Fall programming were required in Spring 2022, when Covid-19/Omicron impacts were still uncertain.

2023-2024 BUDGET

REVENUE

WCD anticipates an increase of **Associate Memberships** due to new membership levels have been created, ranging from \$250 to \$5,000.

An annual 3% increase to the **BID & SBID assessment fees** will result in an additional revenue of \$7851. The additional funds support expanded event/destination marketing & new programming (Spring Uncorked & Cars & Coffee).

The **Celebrate the Season** event will not take place in 2023 as the outdoor event has become logistically challenging due to uncertain Winter weather, for the attendees & WCD staff.

Staff anticipates an increase in **Oktoberfest & WC First Wednesday** revenue due to sponsorship support.

Restaurant Week will not occur in 2023 due to low restaurant participation; effort will be put towards restaurant programming like the Movable Feast concept in 2024.

In an effort to focus on successful programs, two **WC Uncorked** events will be produced in 2023, providing an increase in the 2023-24 revenue.

EXPENSES

Repayment of the Covid-19 **EIDL Loan** will begin in August 2023 resulting in an annual expense of \$7692.

IT subscriptions assist with automating marketing efforts & program registrations, however, their monthly dues continue to increase, impacting this annual expense.

Payroll wages increase in order to attract & retain an adequate amount of quality staff necessary to implement valued programming & events. A marketing administrative contractor has been added to the team to support marketing efforts impacted by staff vacancies.

POINTS OF INTEREST - FINANCE (CONT'D)

2023-2024 BUDGET

EXPENSES

Professional development is imperative to educate & inform staff of current industry trends. Increased travel expenses to conferences and seminars impacts this important line item.

The annual **Shopping & Dining Guide** was not printed over the last three years due to a decrease in demand for printed material. An online interactive map & a small print run will be implemented in FY2023-24.

New webpages will be added to the **WCD website** to provide improved information and engagement with WCD members (Member Resource Pages) and the public, requiring more staff time for website development & update content.

To attract more talent & use of the **Downtown Stages**, additional marketing funds will be required to promote the program to the public.

While WCD had hopes of returning the community **Tree Lighting Ceremony** to Civic Park, the program proved to be too expensive to implement.

BID ASSESSMENT LEVY

THE MEMBER DEFINITIONS AND ASSESSMENT RATES ARE AS FOLLOWS,
INCLUDING AN ANNUAL 3% INCREASE:

NON-PROFIT

Businesses registered as a non-profit corporation with the state or with 501(c) (3) status and listed as an exempt organization on the California Franchise Tax Board website.

GROUND FLOOR BUSINESS

NEW HOLIDAY DÉCOR

In an effort to build civic pride and enhance the visitor experience, WCD would like to explore ideas for holiday décor. Examples include festive lighting that increases pedestrian activity making the area feel vibrant and safe, while creating an inviting atmosphere. Photo opportunities taken in front of holiday décor can be shared through social media to increase attraction to downtown Walnut Creek, and make it a must-see place to shop and dine during the holidays.
